

FLOOD SMART™

Our Flood Smart™ System is custom-designed to protect your home from rising floodwaters. Installed in advance, it deploys in minutes, providing fast and dependable protection when a storm hits.

-  **Quick to Use**
Slide panels into place and tighten –you're protected fast and easily.
-  **Easy to Install**
Custom-fit panels require little to no changes to your home.
-  **Covers Wide Openings**
Panels span up to 12 feet wide and bigger with added support.
-  **Proven Protection**
Made from strong aluminum and tested to meet flood safety standards.
-  **Works with Existing Storm Smart Systems**
Can be added to homes that already have Hurricane Roll Down protection.

FLOOD SMART™

Don't wait until the next storm hits—protect your home and family today and avoid costly flood damage, insurance frustrations, and the unnecessary stress of loss.

Protection from Hurricane-Force Winds & Flooding

Fortify your home from hurricane-force winds and storm surges by combining our Storm Catcher® Screens or Aluminum Roll Down Shutters with the Flood Smart™ System to create a full-perimeter defense against nature's most extreme conditions.

- ✓ Proven Hurricane and Flood Protection
- ✓ Engineered for Fortification
- ✓ Whole-Home Protection
- ✓ Turnkey Peace of Mind

Disclaimer: Flood Smart™ System is designed to mitigate, but not completely eliminate, flood damage under specific conditions. Storm Smart does not guarantee or warrant that such a product will provide complete protection against flooding events in all conditions. Such product's effectiveness may vary based on factors such as water volume, duration, installation quality, maintenance and inspection, and environmental conditions that exceed the product's design specifications. These effects are not covered under the limited warranty with respect to such product. Please see limited warranty for further exclusions.

Storm Smart stands out because we're local—nearly 30 years strong in this community, with service from people who live right where you do. You've trusted us with hurricane protection, and we've delivered. Now, you can count on us for flood protection with the same grit, expertise, and hometown commitment. We're not just a company—we're your neighbors, here for the long haul, storm after storm.

- ✓ Nearly 30 Years of Experience
- ✓ BBB Accredited
- ✓ Built for Florida Homes
